

ADVENTURE WV – WEST VIRGINIA UNIVERSITY
ACKNOWLEDGEMENT OF RISK AND ASSUMPTION OF RESPONSIBILITY

- **Please write *legibly* and in *pen*.**
- **Complete these forms and bring them with you on the day of your program!**

I understand that, during my participation on an Adventure WV program, I will be exposed to above normal risks. Although Adventure WV has taken precautions to provide proper organization, supervision, instruction and equipment for each trip, it is impossible for the Adventure WV program to guarantee absolute safety. I acknowledge that all risks cannot be eliminated without destroying the purpose and character of the trip or seminar. Also, I understand that I share the responsibility for safety on the trip and I assume that responsibility. I agree to comply with the instructions and directions of the Adventure WV staff members during the trip. The following describes some, but not all of the risks:

- WVU Adventure WV programs take place out of doors, where participants are subject to environmental and other risks. Activities include hiking and backpacking, camping, rock climbing, initiatives, challenge course, zip line, caving, and whitewater boating.
- Activities take place in remote places, far from medical facilities. Communication and transportation are difficult and sometimes evacuations and medical care can be significantly delayed.
- Equipment may fail or malfunction, despite reasonable maintenance and use. Meals are prepared on gas stoves or fires. Water requires disinfection before use. Camping risks and hazards include burns, cuts, diarrhea and flu-like illness, and falling timber.
- Travel is by vehicle, raft, on foot and by other means, over rugged unpredictable off-trail terrain, including boulder fields, downed timber, rivers, rapids, river crossings, mountain passes, steep slopes, slippery rocks. Risks include collision, falling, capsizing, drowning and others usually associated with such travel.
- Environmental risks and hazards include rapidly moving, deep or cold water; insects, snakes, and predators, including large animals; falling and rolling rock; lightning, flash floods, and unpredictable forces of nature, including weather which may change to extreme conditions without notice. Possible injuries and illnesses include hypothermia, frostbite, sunburn, heatstroke, dehydration, and other mild or serious conditions.

I am aware that Adventure WV activities include risks of my injury or death. I understand the description above of these risks is not complete and that other unknown or unanticipated risks may result in property loss, injury or death. I agree to assume responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary, no one is forcing me to participate, and I elect to participate in spite of and with knowledge of the inherent risks.

I have no physical or psychological problems that would prohibit my participation in the trip. I further understand that West Virginia University will not provide medical or other insurance coverage for this trip. If I must evacuate for any reason, I understand I am personally responsible for all medical/evacuation fees and that I will not receive a refund of the trip fee. (Participant must provide a copy of their medical insurance card prior to participation).

In consideration for the opportunity to participate in the activity and to the extent allowed by law, I release West Virginia University and its employees, agents, and volunteers, and waive all claims for personal injury or any other damage which may arise out of or be in any way related to my participation in this activity, including any claim based on actual or alleged negligence, gross negligence, intentional, or reckless behavior.
