Currently (April 23, 2021) no exceptions are being made for those who are fully vaccinated nor those who have had COVID-19 previously. Adventure WV will update you if we are able to make exceptions in these cases.

Starting two weeks prior to your trip:

☐ Engage in daily screening by asking yourself the following questions:
  ☐ Have you been in close contact with a confirmed case of COVID-19?
  ☐ Are you experiencing a cough, shortness of breath, or a sore throat?
  ☐ Have you had a fever in the last 48 hours?
  ☐ Have you had new loss of taste or smell?
  ☐ Have you had vomiting or diarrhea in the last 24 hours?
  ☐ Have you tested positive for COVID-19 in the last two weeks?

☐ If you answer yes to any of the screening questions OR if you have been directed to quarantine by a health/public health professional, you are no longer eligible to participate on your scheduled trip.
  o Contact adventurewv@mail.wvu.edu to cancel your trip. You do not need to provide details beyond that you were not able to pass the self-screening process.
  o You will not be charged the $95 processing/commitment fee if you cancel for failing the screening process.
  o If you believe you should still be eligible for participation regardless of failing the screening process, indicate in your email that you would like to discuss this with an Adventure WV staff member, along with a phone number to reach you at. We will call to follow up.

3-7 days prior to your trip, before traveling to Morgantown:

☐ Complete an OPTIONAL PCR COVID-19 test. This test is NOT provided by or paid for by Adventure WV/WVU. We highly recommend testing ahead of travel to avoid an unexpected positive COVID-19 result upon arriving in Morgantown.
  o If you complete the optional PCR test and test POSITIVE, you are no longer eligible to participate on your scheduled trip.
  o Contact adventurewv@mail.wvu.edu to cancel your trip. You do not need to provide details beyond that you were not able to pass the self-screening process.
  o You will not be charged the $95 processing/commitment fee if you cancel for failing the screening process.

Travel to Morgantown for your pre-trip testing, isolation, and trip:

☐ Follow CDC Guidance when traveling: Vaccinate if eligible, get tested prior to travel, wear a mask over your mouth and nose, avoid crowds, maintain a distance of 6+ feet from anyone not traveling with you, minimize stops, and follow all state and local recommendations and requirements.

☐ Based on CDC guidance, for Summer 2021 Adventure WV does not recommend taking public transportation (plane, train, bus). Please contact our office at adventurewv@mail.wvu.edu if you plan to take public transportation to Morgantown.

☐ Plan to arrive by your trip’s assigned testing window:
  o Note that it is imperative you arrive for your testing window, otherwise you will be barred from participation.
  o If you plan to arrive in Morgantown the day prior to your scheduled testing window, we recommend WVU’s Plan Your Visit site for lodging and food recommendations.
  o QUEST programs starting on MONDAY will also test Monday (the same day!), between 9am-1pm. Specific times will be assigned to each trip. You will receive your specific time from your Course Director via email.
○ **EXPLORE and ODYSSEY** programs with a Saturday start will test Friday morning (one day prior!), between 9-11am. **Specific times will be assigned to each trip. You will receive your specific time from your Course Director via email.**

○ **Early Move-In Trips** (Explore 22A, 23B, 24A, Odyssey 25A, 26B, Quest 5A, 5B, 5C)
  - Explore 22A (Honors) which starts Sunday 8/8 will test Friday 8/6 between 9-11am, specific time forthcoming from your Course Director via email.
  - EXPLORE and ODYSSEY programs starting Monday 8/9 will test Monday 8/9, somewhere between 9am-1pm, specific time forthcoming from your Course Director via email.
  - QUEST programs starting Tuesday 8/10 will test Monday 8/9, somewhere between 9am-1pm, specific time forthcoming from your Course Director via email.

**On your testing day:**
- Get your COVID-19 PCR Test.
  - **This test will be done through WVU at no cost to you.**
  - Testing location is TBD but will likely be at the Student Recreation Center on WVU’s Evansdale Campus.
  - It is imperative you arrive and get tested at your assigned time. Failure to do so will result in being barred from participation with no refund.
  - See above for testing windows and for our recommendations for travel

- Isolate in **Oakland Hall** until your trip start.
  - **You will be provided with a single room at Oakland Hall at no cost to you for the time AFTER your COVID-19 test while you await your results.**
  - Specific directions, including expected arrival times and how to access your room will follow.
  - **Food will be provided to you at no cost to you during your isolation period.**
  - You MUST isolate during this period—leaving your room only for bathroom, food, and emergencies.
  - You will be permitted to keep your cell phone during this period. You may call the Adventure WV On-Call number for emergencies (number to be provided). Adventure WV is not providing structured activity during the isolation period.
  - You will keep your personal/trip belongings with you during the isolation period.
    - If receiving a ride, you can ask your ride to wait until after you complete your COVID-19 test, then they can drive you to Oakland with your belongings.
  - If you drove yourself/are parking a car for the duration of the program, you will be responsible for paying a weekly flat rate (approximately $10) to park in the **Short Term 1** lot. Details are forthcoming. Short Term 1 is walking distance from the Student Rec Center (testing) and Oakland Hall.
  - **Bedding is NOT provided for your stay in Oakland. You can provide your own bedding or pick up a sleeping bag from Adventure WV when you come to the Student Recreation Center for testing (details forthcoming).**

- Notes on Early Move-In Trips (Explore 22A, 23B, 24A, Odyssey 25A, 26B, Quest 5A, 5B, 5C):
  - More detailed procedures will be emailed to you approximately two weeks prior to your trip start.
  - You will most likely be dropping your Fall 2021 belongings in your assigned residence hall room, but then still proceeding to Oakland to isolate.

**On your trip start day:**
- A bus will meet you outside of Oakland and take you to your trip check in location. Times are currently TBD.
- Do not leave your room for your program until you have received your negative test result. If it is your pick up time (TBD), and you have not received your negative test result, do NOT board the bus. Instead, call the Adventure WV On-Call number (number to be provided). We will work with you to make a plan.
  - If you test positive, call the Adventure WV On-Call number. You will not be permitted to go on your trip. We will work with you on next steps.
  - When you depart your room in Oakland, take everything with you.
At your check in location, you will complete the trip check in process:
  o At check in, you will be asked to confirm you have completed all the necessary steps:
    ▪ Self-Screened for the previous two weeks
    ▪ Followed CDC travel guidance
    ▪ Received a negative result from your WVU-administered COVID-19 test from the previous day.
    ▪ Isolated in Oakland Hall between WVU COVID-19 PCR testing and arriving at trip check in.
  o You will once again be asked the self-screening questions by an Adventure WV Staff Member.
  o Your staff will brief you on necessary COVID-19 mitigation protocols (and many other protocols), including masking, distancing, assignment of sub-groups, and assigned seating/sleeping spaces. You will be expected to adhere to all protocols as outlined by the staff.
  o You will be asked to turn in your cell phone at check in (see our Cell Phone Letter).

During your trip:
  □ Your staff will facilitate that each student performs daily symptom screenings. You are expected to truthfully report if you experience any of the symptoms discussed in the screening process, even if you think there is a non-COVID explanation.
    ▪ If a participant experiences COVID-19-like symptoms, AWV staff will isolate that participant to the greatest extent possible and confer with AWV professions and medical advisors on next steps.
    ▪ Emergency contacts will be notified if an evacuation is necessary due to COVID-19 concerns.
    ▪ In the event of any evacuation (COVID-19 or otherwise), students are typically returned to Morgantown and expected to be met by emergency contacts.
  □ You are expected to continue to adhere to COVID-19 protocols as outlined by the staff.

On the last day of your trip:
  □ You are part of the trip “de-issue” process. Adventure WV staff will guide you in helping to clean and get gear ready for the next round of trips.
  □ Your phone will be returned to you at the trip end time, after de-issue and final group activities.
  □ If you are getting picked up, make arrangements to be picked up at the following locations, depending on your trip. Trip end/pick up times are TBD and will be communicated via @Mix email once finalized:
    ▪ Explore Trips—at the Student Recreation Center
    ▪ Odyssey Trips—at the Outdoor Education Center
    ▪ Quest Trips—at Camp Muffy
  □ If you drove yourself and parked in Short Term 1, AWV staff will ensure you get back to campus/your car.
  □ If you are on an Early Move-In Trip (Explore 22A, 23B, 24A, Odyssey 25A, 26B, Quest 5A, 5B, 5C), AWV staff will drop you off at or near your residence hall.

Following your Trip:
  □ If you develop any of the following symptoms within 2 days of the end of your program, or if you test positive for COVID-19, please contact our office via phone and email: cough, shortness of breath, sore throat, fever, new loss of taste or smell, vomiting, diarrhea.

It is essential that you carefully follow the steps outlined above for the safety of you, your peers and student staff. Failure to do so may result in being barred from participation without a refund. We know that you want to have a positive trip experience and we want that for you too!
